RE: Public Records Act Request No. 664

Dear Sinyangwe:

This letter is to inform you that the search for the Public Records Act Request No. 664 is still active and we are researching our files. We anticipate having a page count of the responsive records, if any, at which time you will be notified that the records can be made available either by email or for your inspection, and duplication upon request, at City Hall. If you have any questions regarding the information above, please feel free to contact me.

We thank you for your continued patience.

Sincerely
Jimmy Nguyen
